ARTS COUNCIL ENGLAND

Ladies and Gentlemen. The new glossy brochure has arrived and will be available at this concert.

As you realise, the improvement in the complement of the bands and singers does cost a great deal. We always try to minimise the ticket cost so we are very grateful to our sponsors who by their financial support, enables us to do so. Should you wish to sponsor a concert please contact Bill Wills or Ian Mitchell for details. You may be pleasantly surprised at the charge and you will receive full recognition in our communications and publically on the day!

On this occasion we are very pleased to acknowledge the sponsors for the concert today. **Mr. & Mrs Reg. Smith** our long standing jazz supporters. We are very grateful for their generosity.

Also a great welcome back to **David Newton** and his trio who entertained us so superbly last year with his "Songs from the Shows". Such was the response of our club members at that time, we felt it would again be well received.

David's prowess and skill at the piano plus his Celtic humour is legendary, also the backing of **Matt Skelton** on drums (did you see him at the *BBC Proms* last year?) and **Tom Farmer** on

bass. We feel sure that they will be well received again and we look forward to a programme of melodious and swinging jazz interpretations.

Thanks for supporting the raffle at our previous stupendous start to the concert year and if you have any unwanted Christmas presents you wish to dispose of, please feel free to donate them to our raffle. They will be gratefully received.
