

# NEWPORT JAZZ CLUB NEWSLETTER

Sponsored by:

Supported using public funding by  
**ARTS COUNCIL  
ENGLAND**

Ladies and Gentlemen.

We are greatly indebted to Mr. **Barrie Clarke** for sponsoring this last concert of the 2018 season.

We give a warm welcome to:

## ***The Nat Steele Quartet.***

**Nat Steele** (Vibes)

**Gabriel Latchin** (piano)

**Dario de Lecce** (bass)

**Steve Brown** (drums)

When **Milt Jackson** appeared in 1952 with his quartet, suited, in a withdrawing room setting, he made an immediate impact on the jazz scene. As an offshoot of the **Dizzy Gillespie** band, they were influenced by classical, blues and bebop and swung in a cool manner. This was something different in portraying jazz music. For over 40 years the quartet was **Milt** on Vibes, **John Lewis**, piano, **Percy Heath** bass and **Connie Kay** drums. Today, **Nat Steele** is to be congratulated for bringing this style of jazz back and we feel sure it will greatly meet your approval.

## ***Future Concerts***

We shall open our series of 2019 concerts with the

Drums.

**POSTERS FOR OUR CONCERTS.** If there is any one who could put up our posters in a prominent position, please get in touch. This would assist us greatly.
