News and Events of the Churches and Organisations in and around the Parish of Northwood, Isle of Wight

JULY LETTER

From our clergy

Subject: Community.

Dictionary: A body of people sharing locality, religion. Fellowship.

When I was young the word 'community' was often used to mean a group of people who lived an unusual way of life such as monks. There were national events which were supposed to develop 'community spirit' such as royal weddings, the coronation and important events such as the anniversary of the end of the war. The word is used freely by politicians today and the way something is declared to be a 'Community' is quite extraordinary. If you are a bike owner you are part of the cycling community, or if you go to church you are part of the religious community. Ethnic origins come into this as well. Of course all groups of people have something in common be it a shared interest or similar background but what common factors actually make a 'community'. A neighborhood is referred to as 'the local community' but very often this means a shared post code rather than a shared life. Surely a true community is one that shares more than just a common factor such as a bicycle or religious faith.

I believe that the Fire Service, where I am Chaplain, is a community, not because so many ride cycles but because of the shared experiences that staff inevitably will have in this line of employment. There is also the elements of team work and caring for each other which help to bind a group of individuals into a community. It is a profession, which along with the other emergency services see incidents which most members of the public do not see or wish to see. If we wish to develop community spirit there is no point in throwing money at projects. Money will not make a community. It would be better to promote the Fire Service's ideals of caring, sharing and working together. If it was to become second nature to everyone what a better world it would be. As a Christian minister I could add that it is taking seriously the commandment to love one another as we would love ourselves.

Roger +

The Annual General Meeting was held last month. The same officers were elected to serve for another year. It was very disappointing that no Residents attended the meeting to give support for the Partnership to carry on and try to do things to improve life in the Village.

Any Residents who may like to spare a little time to assist in keeping the Partnership continuing these projects, we would be very grateful and welcomed. We meet bi-monthly on the 4th Tuesday in the month, in the Conservatory at the Travellers Joy, Pallance Road, Northwood. The next meeting is on Tuesday 22nd July, 2014, at 7pm.

As it is now getting warmer we have been reminded by the Police Crime Prevention Officer, about safety and security in our homes. If you are in your garden or on your patio, please remember to lock your front door when you are at home and close the windows, especially when you go out. Also be aware of rogue traders knocking on your door. If you are not sure about them, don't give them any personal details or part with any money. Get in touch with Trading Standards and they will advise you. If you or you know someone who is elderly and/or vulnerable and think they could do with some extra security for their home, contact Blue Lamp Trust on 0300 777 0157. They will send out an assessor who will arrange for security locks etc. if needed, to be fitted free of charge. (Recommended by the Police.)

As reported last month, we have been very lucky to obtain a grant from the Hampshire and Isle of Wight Community Foundation to continue our monthly Residents Events. We appreciate the Foundations help.

Big Tidy Up

In the absence of Cllr Ward, Cllr J Nicholson volunteered to contact the IW Council with regard to the letter received from the 1st Northwood scout group and then liaise with Mr Derek Finch. It was reminded that the scouts had expressed an interest in helping with the "Big Tidy Up" and had volunteered to also help tidy some of the local footpaths. It was decided that arrangements be made to hold a "Big Tidy Up" event on Saturday, July 5, meeting at 10.00am at the junction of Medham Farm Lane and the cycle track. **ANY HELP VERY WELCOME.**

Venner Avenue Play Area

Councillors were referred to the report, which set out recommended action with regard to the football posts and nets and the identified remedial action necessary for the football play area. It was noted that the IW Council would continue to provide insurance under the corporate scheme.

It was decided that the request by the Community Partnership to collect and erect the goal posts and nets held in storage at Seaclose Park be declined, as these had been re-confirmed as being unsuitable for grassed areas and the existing equipment was still in a reasonable condition. The Parish Council agrees to undertake all costs with regard to the future maintenance of the football area, providing that the IW Council purchases new nets and refits the steel poles used to anchor the nets, in the correct manner, in accordance with the insurance. In addition, enquiries be made with the IW Council for an updated estimate of the remedial works identified by their Parks officer, in December 2013, with a view to this work being undertaken in the Autumn. Also, the Clerk be given delegated powers to authorise the identified works, up to a total cost of £600.

Northwood in Bloom

Cllr Pullen reported that the summer bedding had arrived. Due to the credit of £200 received from Wight in Bloom, the total cost came to only £61.03. All tubs and planters had now been cleared. The contractor has now started watering.

HOUSING NEEDS SURVEY

The Parish Council is carrying out a Housing Needs Survey. This is to identify how many extra homes, if any, are needed and to find out what size and type they should be. To help to identify where local people would prefer these homes to be built if a need is recognised. Last month, forms were distributed throughout the Village, and hopefully have been collected. If your form has not been collected, it can be delivered to Cllr. John Pullen, 86 Wyatts Lane, or the Clerk at 11 Wyatts Lane. **Thank you for helping to map the future of the Village.**

NEWS FROM THE JUNE MEETING

Police Report

Sgt Gary Knight was unfortunately unable to attend the meeting due to his attendance at a mandatory Public Safety training session. The clerk read from her notes of his telephone call when he had advised that the timing of the relocation of Cowes Police Station was still an unknown. The police Estates Department were the decision makers, if or when the move was to occur, it would be to a site in Cowes with no change to its current operation. The police station had been a closed station for the past two years and would continue to remain so. Sgt Knight hoped to attend the meeting in July, although this would again be subject to operational matters.

PCSO Derek Howard presented the report of the Local Safety Neighbourhood (LSN) team on matters arising since the last meeting. Particular mention was made of the following: PC Juliet Proctor, from Newport was to join the team. The number of reported crimes for May was four, which remained the same total when compared with May 2013. Police priorities continued to cover the prevention of cyclists and cars using Cowes High Street, during prohibitive times. Beat surgeries have been reduced to once per month, on the 2nd Thursday of the month.

With regard to the Speedwatch scheme, 11 volunteers from the local community. A check had been undertaken along Pallance Road, during May, which revealed that of the 90 cars travelling along the road between 2.00pm and 4.00pm, only 1 had infringed on the speed limit.
