### Highways PFI Contract

Mr. P. Le Penn addressed the Parish Council making reference to the response received from IW Cllr E Giles to councillors' recommendation, resolved at the previous meeting in regard of the PFI contract. Mr. Le Penn gave his personal views on the reply and also quoted from the ongoing correspondence between himself and the IW Council. A proposed course of action was tabled by Mr Le Penn to assist councillors' deliberations.

In discussion, it was suggested that a constructive way forward would be to extend invitations to an officer from the IW Council's Highways Department and to the Cabinet member for Highways to attend a meeting of the Parish Council. They could then explain the Highways PFI

and any other highways issues that councilors or local residents wished to raise.

Mr Le Penn highlighted the apparent difficulties he had encountered in obtaining a full response on the questions he had raised to his complete satisfaction. It was decided that invitations be extended for an officer from the IW Council's Highways Department and to Cllr E Giles, the Cabinet member for Highways to attend a meeting of the Parish Council. Invitations have been accepted for the meeting of December 6<sup>th</sup>.

Please tell our advertisers that you saw them in NORTHWOOD NEWS!

#### Review of Parliamentary Constituencies

The Parish Council supports the recommendation to have two Members of Parliament representing the Isle of Wight. However, in the light of the desire to achieve more community cohesion, they considered that neither of the parishes of Newport and Ryde should be Split.

#### Play Area New Seat

Cllr J Pullen advised of his intention to research the cheapest option to securely fasten the new seat to the concrete base on the play park. Cllr P Bentley had agreed to assist in the preparation of the concrete base prior to the installation of the seat.

#### Football Pitch at Venner Avenue

A grant of £50 be approved to the Cowes Concert Band to help with there appeal.

#### Northwood in Bloom

Cllr Pullen had visited Ryde House Nurseries, to order the winter planting. the plants were delivered during the following week. Volunteers would be needed to clear the existing stock.

#### Football Pitch Working Party

An update was provided on the meeting held with officers from the IW Council. A number of options had been discussed and these are being evaluated, and report is being prepared for the November meeting.

#### Northwood in Bloom

Mention was made that action should be taken to contact Ryde House Nurseries to order the winter planting. Cllr Pullen agreed to assist Cllr Mazillius with this. The source of a large supply of free well-rotted manure was noted. It was decided that a programme to replenish the compost in the planters/tubs be commenced, at a maximum cost of £50.00.

## Community Bus Forum

At the October meeting, attended by Marc Morgan-Hughes and Tanya Simms from Southern Vectis, it was confirmed that ticket machines will soon be on the bus with a flat fare of £1 for those who do not have a bus pass, 50p for children. Problems with the first bus keeping to time were discussed, Southern Vectis are going to try to ensure that the vehicle is in place in plenty of time for the driver to make a 9.30 am departure from the Co-op possible. The number of trained drivers has now reached 20, thus easing the need for volunteers to do more than one day a week.

## Crime Report

September had again been a very quiet month, with virtually no crime of any note within Northwood. Those crimes that had been reported tended to refer to domestic crime rather than criminal.

Sad to relate, there has been wilful damage by unknown person(s) to the slide part of the 'Edge' piece of equipment, on the Venner Play park. The Police were continuing to actively target vehicle crime in the Cowes area.

Hampshire Constabulary have rolled out of Nemesis 2. This is a joint approach by various police departments with particular emphasis on burglary and vehicle crime and the LAG priorities identified.

The suspected culprit of a £6k bicycle theft from Cowes has been apprehended and was awaiting trial.

Despite reports you may have read, PC Mark Thomas has gone to Newport, and will not be replaced. PCSO Steve Oatley will continue to patrol the area.

Cold Calling. There have been incidents of cold calling in the village. Please let me know when they occur.

I have a supply of No Cold Calling window stickers, paid for by the Parish Council, if anybody needs one. Ring 281250

I have at present no Recycling bins, due in some part to the new bins being issued in the new year.

Do not forget Crimestoppers on **0800 555 111**.

You do not need to identify yourselves and the calls are not recorded.

## GREAT SOUTH RUN

On Sunday 30th October, Northwood's very own "Super Steve" will be running the 10 miles of the Great South Run in aid of the Stroke Association. Steve, whose family owns Northwood Stores, decided to run for the Stroke Association in memory of Northwood resident, Stella Morris, who sadly passed away earlier this year, and in support of Jean Landon. Sponsorship forms are available in Northwood Stores for anyone wishing to support Steve on his run.

### NORTHWOOD COMMUNITY PARTNERSHIP REPORT

*(Eileen Turner-Palmerton, Secretary)*

As stated in previous editions, our Residents Events are being well supported. The October event was entitled "Halloween Comes Early". The tables were attired with spooky decorations and there was the pumpkin, lit up to complete the scene. Also there were even more spooky chocolates to be eaten. We had a talk by John Pullen on OPTIO, which is a car service run by volunteers.

At the last meeting of the Northwood Community Partnership, it was suggested a party be held to celebrate Her Majesty the Queen's Diamond Jubilee. This is being pursued and further details will be published.

You may have noticed that the Village has been planted out with the autumn and winter plants. We hope that you all enjoy our village looking very pretty and welcoming.

**Our next Residents Event will be held on  
WEDNESDAY 16th November, 2011 at 2.30pm,  
at the W. I. HALL, NORTHWOOD**

As always, everyone is very welcome to attend, what ever your age, and, if you wish, please bring a guest. If you have any mobility problems and require transport, please telephone 01983 296020 or 01983 282242.

The next Northwood Community Partnership meeting will be held on 22<sup>nd</sup> November, 2011, at 7.45pm. All are welcome to attend. At this meeting, discussion will take place on the form that the party will take.

### NORTHWOOD ALLOTMENT ASSOCIATION

Northwood Allotment Association have a busy and productive summer. In July they held an open day to mark the first anniversary of the association forming and the plots being dug. The day was a great success and raised just over £60 that was donated to Northwood Primary School for their allotment which was in turn donated to the school when the association formed.

September saw the annual weigh-in of the Marrow Growing competition held at the Horseshoe Inn. The event raised £75 for the Earl Mountbatten Hospice.

If you are interested in an allotment plot, please call Sara on 629307

Have you seen the film "Eat, Pray, Love" (starring Julia Roberts) or perhaps you've read the book? The story is about one woman's spiritual journey, the people she meets along the way and the conversations she has with them and with God.

One conversation she had particularly caught my attention. It was about words. The author (Elizabeth Gilbert) and her companion were discussing words to describe cities of the world, trying to find one word to summarize each city. (If you're a Portsmouth or Southampton football supporter, then I suspect certain words have already sprung to mind however I'd encourage you to think of some other characteristic that summarizes the city!).

Elizabeth Gilbert chose "achieve" for New York and "succeed" for Los Angeles. Do you have a word you would choose for London, Manchester, Edinburgh, or for The Isle of Wight?

For me, in choosing a word for the Island, I'd say "relating". I learned very early in my time here that the network of relationships on the Island is more complex than those shown in EastEnders! That complexity though creates a sense of community that runs very deep and gives a special quality to life here.

Now, as I write my last letter to you and pack up to return to my home city in Australia, I thank you for enabling me to share in that sense of community. It is a treasure and a gift I will take with me. Thank you too for all the opportunities I have had to share in special times in your lives and special events.

I should be grateful for your prayers and blessings as I take my leave of you – and I shall think of you all every time I read this passage from Paul's letter to the Philippians, his most beloved community; "I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy and this is my prayer: that your love may abound more and more in knowledge and depth of insight, so that you may be able to discern what is best and may be pure and blameless for the day of Christ, filled with the fruit of righteousness that comes through Jesus Christ—to the glory and praise of God." (Philippians, 1.3-4, 9-11)

With my love and prayers

Two. As a result those two Committee Rooms will be used to accommodate staff.

At the same time the Chamber has been cleaned, re-painted and re-carpeted and the curtains also cleaned and re-hung. It is difficult to find staff or members who can recall the last time such refurbishment occurred!

Similarly older single or small rooms are being converted into open plan areas housing many more staff than before. There are several areas in County Hall where this has already been achieved and which have been welcomed by the staff concerned.

As always, I will be pleased to deal with any questions from residents on this matter.

### **Scams - do not be caught out**

Readers of my reports will know I regularly warn of attempts to heartlessly defraud vulnerable people by what may on the face of it seem a financial advantage too good to miss. Upon reflection however even the most generous-spirited of us would agree that someone from say Nigeria who you have never heard of but who has chosen you to share in a multi-million pound inheritance if only you will send say £500 to help "liberate" the money, is a fraudster!

Another wave of these scams has been reported affecting or should I hopefully say, attempting to affect Islanders. So please remember, if it appears too good to be true, it probably is. Tear it up and chuck it in the bin. If it is received by email delete it. If the email has an attachment, DO NOT OPEN but delete. If any of them appear to be from banks or other financial institutions, remember they would NEVER ask for your pin number or other credit card details or offer you financial inducements in return for money.

Finally please remember that if you do reply to any scam mail, frequently your name and address will be passed on to criminals who will relentlessly target you with similar scams. These people have no scruples or sympathy for anyone. If you have any concerns please do not hesitate to contact me via my usual contact details or Trading Standards via 821000. In this regard, to meet customer demand we have recently increased staff in our Island Call Centre and will keep this demand under frequent review.

### **Island Plan Core Strategy Public Enquiry**

As I have previously reported, this enquiry took place in the middle of October and there is every chance the Inspector's report will be published in December. I will be attending the day set aside to deal with future housing demand and will report back to residents in my November Report. The Inspector will rule on what that demand will be and the importance of land within various parts of the Island to deliver such housing. This includes areas such as Northwood within the Medina Valley identified site.

Following this report and after adoption of the recommendations by the Council, the actual identification of suitable sites will be subject to public consultation. I will fully inform residents of how to be involved in this consultation early next year. I expect to call a further public meeting to ensure as many residents as possible can be involved in this consultation.

In the meantime I send my best wishes to all , **Roger**

### **REPORT - NOVEMBER 2011**

#### **Waste Disposal Arrangements**

Following my report last month, I have been asked about the cost of the new wheelie bins. I did give details of this in an earlier report but will confirm that we are sharing the cost equally with the waste contractors. Whilst this still means roughly a £1.25m cost to the Council, this expenditure will in fact allow us to meet stringent new Euro environmental directives enforcing recycling rates throughout member countries. The financial savings from meeting these new recycling targets will be approx. £350,000 next year, approx. £650,000 the year after that and then £1,000,000 each following year. So we will cover four-fifths of the cost in the first two years and thereafter a massive annual seven figure saving.

I hope these details will go a long way to alleviating residents' concerns that the Council is spending on these bins unnecessarily. I am as usual available to discuss any further queries residents may have on this subject through my usual contact details

#### **County Hall Refurbishment**

Whilst on the subject of Council expenditure, I take this further opportunity to make some points of information about this scheme about which there is still a degree of misinformed comment.

A major part of reducing the cost of Island local government lies in lowering the cost of the buildings housing Council staff and services. This innovative scheme enables the Council to virtually double the number of staff that can be accommodated at County Hall from approx. 350 to approx. 700.

This is being achieved by vacating premises which are leased to or owned by the Council with consequent substantial savings (in excess of half a million pounds) in rent, rates, heating etc. In addition, the freehold properties will be sold realising substantial capital receipts. The combination of all these savings and receipts more than exceeds the costs of the refurbishment but better still, the on-going revenue savings from accommodating so many staff in one main HQ building compared to several will mean continued substantial lower annual operating costs.

The cost of refurbishing the Council Chamber has also understandably been raised. However what I would ask residents to consider is the limited use to which the Chamber could be put under the old fixed desks and dias fittings and an outdated sound system. By removing these old fixtures and replacing with modern moveable units, the Chamber can now be put to many different uses including Committees, Scrutiny Panels, Conferences, Training Seminars etc. many of which would have been held in the old Committee Rooms One and
